

THE 50th ANNUAL CLINICAL APHASIOLOGY CONFERENCE

Tuesday, May 26, 2020 – Saturday, May 30, 2020

Mauna Lani, Auberger Resorts Collection, Kohala Coast, Island of Hawaii, HI

CALL FOR PAPERS

The annual Clinical Aphasiology Conference (CAC) provides a forum for clinicians and researchers engaged in the study and clinical management of persons with acquired neurologic language disorders to present their recent research and engage in extensive discussions with colleagues. To develop an informal atmosphere conducive to the free exchange of ideas, CAC attendance is limited to approximately 120 people. The 2020 Conference Chairperson is Stacie Raymer and the Program Chairperson is William Hula.

To attend the 2020 CAC, you must submit a summary of an original paper, poster, or round table discussion no later than Wednesday, **January 15, 2020 at 11:59pm PST**.

Please note: Only one author from each accepted proposal will be invited to attend the conference. As space permits, one additional author from accepted proposals and first authors of proposals that are not accepted for presentation may be invited to attend. A number of competitive student fellowships are available to students who have earned authorship on a paper submitted to CAC; visit <https://clinicalaphasiologyconference.org/students-at-cac/nidcd-student-fellowship/> for more information.

SCOPE OF PAPERS AND POSTERS

Aphasia

Apraxia of Speech

Right Hemisphere Communication Disorders

Cognitive-Communication Disorders
