All Knowledge is not taught in the same school

One can learn from many sources.

An explorer's paradise, the Holoholo Kids Crew is the ultimate island-style hideaway for the Resort's younger keiki - ages 5 years to 12 years old, featuring an array of cultural based activities. The Holoholo Kids Crew is complementary and also available to keiki 3-4 years old when accompanied by an adult. Taking advantage of Mauna Lani's storied and sprawling land, the educational programs range from cultural immersion, athletics and wellness, to moonlight storytelling and navigation.

The thoughtfully designed program includes hands-on-experiences such as feather art creations, variety of lei making, developing plant dyes, exploring ocean activities, native plant education and propagation as well as some Hawaiian Food tasting. Keiki will also learn cooking activities, create candles, crayons and body scrubs, as well as design shell jewelry from shells they find on our beautiful sandy beach. Of course, ukulele, ipu and hula lessons are a must!

We look forward to welcoming your 'ohana and cultivating and sharing memories to last a lifetime.

Program Hours: 9am - 4pm

Lunch will be a separate charge. Some activities may require additional fees.
